Re: Hearing Application  
11100' Sand, Reservoir A  
Lower Planulina "O" Sand, Reservoir A  
SOUTH CREOLE FIELD  
Cameron Parish, Louisiana  
Applicant: Jordan Oil Company

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Jordan Oil Company** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the 11100' Sand, Reservoir A and Planulina "O" Sand, Reservoir C, South Creole Field, Cameron Parish, Louisiana.

**11100' Sand, Reservoir A**

1. To dissolve the existing drilling and production unit created as the 11100 RA SUA, by Office of Conservation Order No. 1179-B, effective December 16, 2003 and to simultaneously create a revised single drilling and production unit of approximately 359 acres for the 11100' Sand, Reservoir A designated as the 11100' RA SUA, South Creole Field, Cameron Parish, Louisiana, all as shown more particularly on the attached plat.
2. To permit applicant, Jordan Oil Company to drill, designate and utilize the Jordan Oil Company-Rutherford Estate No. 1 Well as an alternate unit well for the 11100' Sand, Reservoir A, such well to be at the location shown on the plat attached hereto and made a part hereof.
3. To make a specific finding that such proposed alternate unit well is necessary to effectively and efficiently drain a portion of the 11100' RA SUA which cannot be efficiently and economically drained by other wells within the unit.
4. To grant a single unit allowable for the 11100' RA SUA and to permit the operator of the unit to produce said unit allowable from the unit well, the proposed alternate unit well, or from a combination thereof, at its option.
5. To confirm Jordan Oil Company as operator for the 11100' RA SUA.

6. To find that, except to the extent contrary to the order granted by the Commissioner in connection with the hearing held on this application, the provisions of Office of Conservation Order No. 1179-B shall remain in full force and effect.
7. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.
8. The 11100' Sand, Reservoir A in the South Creole Field, Cameron Parish, Louisiana was previously defined by Office of Conservation Order No. 1179-B, effective December 16, 2003.

**Lower Planulina "O" Sand, Reservoir A**

1. To create a single drilling and production unit of approximately 280 acres for the Lower Planulina "O" Sand, Reservoir C designated as the L PLAN "O" RC SUA, South Creole Field, Cameron Parish, Louisiana, all as shown more particularly on the attached plat.
2. To establish rules and regulations governing the exploration for and production of gas and condensate from the said unit.
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created, with each tract sharing in unit production on a surface acreage basis of participation.
4. To designate a unit operator and unit well for the unit created herein.
5. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.
6. The Lower Planulina "O" Sand, Reservoir A in the South Creole Field, Cameron Parish, Louisiana is hereby defined as that gas and condensate bearing sand encountered between the measured depths of 13,385 feet and 13,518 feet (electrical log measurements) (-12,943' to -13,066' subsea) in the Jordan Oil Company-Nunez No. 4 Well, located in Section 29, Township 14 South, Range 7 West, Cameron Parish, Louisiana.

In compliance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, a pre-application conference was held in Lafayette, Louisiana on June 24, 2005. Attached hereto and made a part hereof is a list of the names and addresses of the parties who were in attendance at that conference.

The conference was opened by Mr. B. J. Duplantis. Mr. Art Christy of W. H. Robbins & Associates. presented the plan of applicant. Questions were asked and answered. As to the 11,100' Sand, Doffie Ross on behalf of the Rutherford Estate removed more acreage from the proposed unit. There may be opposition on this matter. As to the Planulina "O" Sand, plans were presented by David Sturlese, representing the Nunez Family, Doffie Ross, representing the Rutherford Estate, and Jim Hardwick representing Richard & Crochet. A conciliation of difference was reached with all parties. This resulted in utilizing only the Lower Planulina "O" Sand definition and the revised attached plat. There may be opposition on this matter at the public hearing.

Attached hereto and made a part hereof are plats outlining the 11100' RA SUA and PLAN "O" RC SUA, South Creole Field, Cameron Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

Hon. James H. Welsh

A copy of the list of the names and addresses of the interested owners, represented parties and interested parties is not being mailed to those parties along with this application. Should any such party desire a copy of this list, however, we will be glad to provide one upon request.

Any pertinent data relating to the proposed unit can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. Art Christy of W. H. Robbins & Associates, 302 La Rue France, Suite 100, Lafayette, Louisiana 70508 (337) 232-5004.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$1,510.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

B. J. Duplantis
